RESOLUTION URGING THE HEALTH SERVICE SYSTEM TO MEET WITH KAISER PERMANENTE REPRESENTATIVES TO RESOLVE PREMIUM PAYMENTS, PREMIUM REBATES AND REPLACEMENT HEALTH CARE SERVICES FOR CITY KAISER PERMANENTE PLAN MEMBERS

WHEREAS, Since October 27th, over 10,000 employees representing half of the workforce of twenty-seven Northern California Kaiser Permanente Hospitals and Clinics have been on strike, and

WHEREAS, Health care services to Kaiser Permanente members during that period have been severely impaired, and

WHEREAS, A large number of the citizens of the City and County of San Francisco are Kaiser Permanente Plan members and have had their health care services cancelled, indefinitely postponed or otherwise disrupted which has had an adverse effect on the City and County of San Francisco, and

WHEREAS, The City and County of San Francisco has submitted full Kaiser Permanmente Plan premiums for 34,000 City employees, retired employees and their families while these Plan members have been similarly denied services, now, therefore, be it

RESOLVED, That the City and County of San Francisco calls for an immediate and just settlement to this strike, and, be it

FURTHER RESOLVED, That the Board of Supervisors of the City and County of San Francisco urges the Mayor to request the Health Services System to immediately call for a meeting with Kaiser Permanente representatives in order to reach an agreement on discounted premiums and premium rebates based on the level of service, and, be it

FURTHER RESOLVED, That pending resolution of Health Service System and Kaiser Permanente representative discussions, that the Health Service System shall withhold ~~all or~~ part of employee and retiree premium payments while seeking replacement health care services for City kaiser Permanente Plan members elsewhere so as not to jeopardize or interrupt the health care benefits of these members.

AMENDING RESOLUTION 160-83, THE MARKET STREET BEAUTIFICATION SCHEMATIC PLAN, TO ESTABLISH A POLICY OF RESTORING, REDESIGNING AND UPGRADING OF STREETCAR TRACKS ON MARKET STREET FROM THE VICINITY OF CASTRO VILLAGE EASTWARD.

WHEREAS, The Board of Supervisors of the City and County of San Francisco (Board), as part of the Market Street Beautification Program, adopted by Resolution 116-68, a schematic plan for Market Street that envisioned a 50' four lane street without overhead wires or passenger loading islands; and

WHEREAS, The Board, acknowledging changes in conditions and criteria governing sound policy for transit operations did, by Resolution 213-78, amend its Resolution 116-68 by deleting from said Resolution Section 5, which reads: "Restrict all transit vehicles utilizing the surface of Market Street to vehicles not requiring overhead trolley wires"; and

WHEREAS, The Board, in Resolution 213-78, further resolved, as a matter of policy, to support the progressive expansion, ". . . of San Francisco's electrically powered transit system as a primary means of reducing air and noise pollution, optimizing the use of the City's electrical facilities, and enhancing the quality of public transportation in San Francisco"; and

WHEREAS, The Board, in Resolution 846-79 urged ". . . the Public Utilities Commission not to remove the existing surface streetcar tracks and passenger islands on Market Street until such time that the Light Rail Vehicle system is providing adequate and reliable transit service"; and

WHEREAS, By the Municipal Railway's own statistics, this is one of the heaviest lines in the City on a passenger-per-mile basis; and

(Broadway and North Beach Fast Food Establishment Moratorium)
EXTENDING INTERIM ZONING CONTROLS TO PROHIBIT THE APPROVAL OF PERMITS FOR THE ESTABLISHMENT AND OPERATION OF FAST FOOD ESTABLISHMENTS IN THE BROADWAY AND NORTH BEACH NEIGHBORHOOD COMMERCIAL DISTRICTS AS SET FORTH IN RESOLUTION 850-85 FOR 12 MONTHS

WHEREAS, the Board of Supervisors on September 23, 1985 adopted Resolution No. 850-85, approved by the Mayor September 27, 1985, to impose interim zoning controls temporarily prohibiting the approval of permits for the establishment and operation of fast food establishments in the Broadway and North Beach Neighborhood Commercial Districts for 12 months; and

WHEREAS, the Department of City Planning is currently preparing permanent legislation establishing restrictions on Neighborhood Commercial Districts throughout the City and County of San Francisco; and

WHEREAS, it is anticipated that the proposed permanent neighborhood commercial legislation will address the problem of fast food establishments in areas throughout the city, including the Broadway and North Beach Neighborhood Commercial Districts; and

WHEREAS, additional time is necessary in order to enable the Board of Supervisors and the Department of City Planning to study parking, litter, noise and other problems generated by fast food establishments and to devise permanent controls for such uses; and

WHEREAS the procedure for the consideration and imposition of interim zoning controls for the City Planning Commission and the Board of Supervisors following a motion adopted by the Board

///

of Supervisors is set forth in 306.7 of the City Planning Code; and

WHEREAS, the Board of Supervisors, pursuant to Planning Code Section 101.1, must prior to adoption of legislation which requires an initial study under CEQA, make a finding of consistency with the Priority Policies set forth therein; now, therefore, be it

RESOLVED, that the Board of Supervisors finds that the proposed interim zoning controls is consistent with the Priority Policies set forth in Planning Code Section 101.1 in that:

1. With respect to finding requirements 1, 2, 4 and 5, the Board finds that the interim zoning controls, by temporarily prohibiting fast-food establishments, will prevent the displacement of existing neighborhood-serving retail use. It will generally preserve the cultural and economic diversity of the City by protecting the unique neighborhood character of the Broadway/North Beach areas. Since fast-food restaurants generate parking, litter, noise and other problems, a temporary moratorium will ensure that neighborhood parking is not further exacerbated.

2. With respect to finding requirements 3, 6, 7 and 8, the Board finds that the interim zoning controls will have no effect upon these policies and thus will not conflict with said policies.

RESOLVED, that interim zoning controls, as set forth in the draft ordinance attached hereto as Exhibit 1 and in Resolution 850-85, to temporarily prohibit the approval of permits for the establishment and operation of fast food establishments in the Broadway and North Beach Neighborhood Commercial Districts, as shown on the maps attached as Exhibit A and B to Exhibit 1, are

TEMPORARILY PROHIBITING THE APPROVAL OF PERMITS FOR THE ESTABLISHMENT AND OPERATION OF FAST FOOD ESTABLISHMENTS IN THE BROADWAY AND NORTH BEACH NEIGHBORHOOD COMMERCIAL DISTRICTS FOR TWELVE MONTHS; PROVIDING FOR DEFINITIONS AND A SEVERABILITY CLAUSE.

Note: The entire ordinance is new.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Definitions.

For the purpose of this ordinance, the following definitions shall apply:

Fast Food Establishments. Any premise except a bakery which offers for retail sale for immediate consumption, ready-to-eat cooked food and beverage primarily served in or on disposal wrappers, containers, or plates. This definition is not applicable to food operations which are operating on the same site as, and incidental to, another business such as a supermarket or bakery.

Section. 2. No department of the City and County of San Francisco may issue or approve any application for a building permit or for any other permit or license authorizing the construction of, or within, any building or the establishment or operation of any use if the construction and/or use proposed is for a fast food establishment within the Broadway and North Beach Neighborhood Commercial Districts, the boundaries of which are shown on the maps attached hereto as Exhibits A and B, provided that the provision of this ordinance shall not apply to an existing fast food establishment in the area relocating to another site within the aforementioned area, or to any business under the same ownership previously existing within the aforementioned area seeking to re-establish within the area, or to the expansion of an existing business to an adjacent building when the applicant had purchased or acquired the adjacent real property for the sole purpose of facilitating such expansion prior to the imposition of the interim controls set forth in this Ordinance or to any fast food establishment which has filed a conditional use application prior to September 16, 1985, unless such application has been finally denied by the City.

Section 3. This ordinance shall expire by its own terms twelve (12) months after its effective date, unless terminated earlier or extended by action of the Board of Supervisors.

Section 4. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this ordinance or any part thereof, is for any reason held to be unconstitutional or invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof.
